CONSTITUTION OF THE ASSOCIATION OF SOUTHERN FEED, FERTILIZER, AND PESTICIDE CONTROL OFFICIALS

Section 1. Name

The name of the Association shall be the Association of Southern Feed, Fertilizer and Pesticide Control Officials.

Section 2. Object

The object of the Association shall be to promote uniformity in legislation definitions, standards, and rules and regulations governing the enforcement of law relating to the manufacture, sale distribution, and use of feeding stuffs, mineral feeds, livestock remedies, pesticides and fertilizers in the Southern States.

Section 3. Membership

A. The membership of the Association shall be confined to representatives of the Federal Agencies engaged in feed, fertilizer, and pesticide control work and the states of Alabama, Arkansas, Florida, Georgia, Indiana, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia, and shall consist of: **(amended Jun. 2002)**

1. The officers charged by law with execution of the State and Federal laws regulating the manufacture and sale of feeding stuffs, mineral feeds, livestock remedies and the manufacture, sale and commercial application of pesticides and fertilizers.

2. The heads or Chiefs of State and Federal Experiment Stations, Bureaus, Divisions, Sections, and Laboratories charged by law with the examination of feeding stuffs, mineral feeds, livestock remedies, pesticides and fertilizers.

3. Such deputies as shall be duly designated by the officials named under 1 and 2 of this section.

4. Research workers employed by the State and Federal Agencies who are engaged in the investigation of feeding stuffs, mineral feeds, livestock remedies, pesticides and fertilizers or their component parts.

B. Life Membership. The Executive Committee shall have authority to bestow life membership upon any individual who, during their membership, made an outstanding contribution to the work of the Association. Such person shall thereafter be entitled to exercise all the rights of membership.

Section 4. Dues

Each state, province, dominion or federal agency shall be expected to pay an annual membership fee. The amount of the fee shall be determined by the directors in accordance with the financial needs of the association. **(amended Aug. 1997)**

Section 5. Officers

The officers of the Association shall be the president, vice-president, secretary-treasurer, and an executive committee to be elected annually by ballot at the regular meeting.

Section 6. Presiding Officers

The president, or in his absence, the vice-president shall preside at all meetings of the Association.

Section 7. Duties of the Officers

The president, vice-president, and secretary-treasurer shall perform the duties usual to such officers. The secretary-treasurer shall keep a record of all proceedings of the Association and attend to all necessary correspondence. He shall receive all money due the Association and shall keep an accurate account of all receipts and disbursements, and report with proper vouchers at each annual meeting.

Section 8. Executive Committee

The executive committee shall consist of the president, vice-president, secretary-treasurer, retiring president, and three members elected by ballot at the regular annual meeting of the Association. One member shall be elected for a term of one year, and one member shall be elected for a term of two years, and one member shall be elected for a term of three years; thereafter one member shall be elected annually to serve for a period of three years. Immediately following the annual meeting, the executive committee shall hold a organization meeting and elect a chairman, vice-chairmen, and secretary and outline activities for the following year. The duties of the executive committee shall be to consider and report on such matters as may be referred to it by the Association and its duly constituted officials, and to review and present to the Association with recommendation all the recommendations of the investigators, and special committees and such resolutions as pertain to feeding stuffs, mineral feeds, livestock remedies, pesticides, and fertilizers.

The voting of the executive committee shall be done in executive session.

Section 9. Special Authorization

For the purpose of studying the subject of uniformity in legislation, definitions, standards, and rules and regulations, and the enforcement of laws concerning feeding stuffs, mineral feeds, livestock remedies, pesticides, and fertilizers, the president may appoint such assistants as may be necessary. Investigators shall be appointed for one year and may be reappointed. No appointment shall be made for a period of exceeding two years.

Section 9a.

Official definitions of the Association of American Feed Control Officials, Inc., Association of American Pesticide Control Officials, and Association of American Plant Food Control Officials shall automatically become official definitions of the Association. Definitions of materials not defined by the Association of American Feed Control Officials, Inc., Association of American Pesticide Control Officials or Association of American Plant Food Control Officials may be adopted by this Association in due form and manner as official and shall remain so until superseded by definitions of such materials by the Association of American Control Officials, Inc., Association of American Pesticide Control Officials or Association of American Plant Food Control Officials.

Section 10. Amendments

The constitution or by-laws may be amended at any regular meeting by a two-thirds vote of the voting membership present. All proposed amendments shall be submitted in writing on or before the first day of the meeting and in due time for consideration.

BYLAWS OF THE ASSOCIATION OF SOUTHERN FEED, FERTILIZER, AND PESTICIDE CONTROL OFFICIALS

Section 1. Regular and special meetings.

Regular meetings of the Association shall be held at least once each year. Special meetings shall be held as appointed by the officers of the Association, or on request of the members of the Association representing at least five separate states.

Section 2. Resolutions

Resolutions shall be presented without debate, and in writing to the secretary-treasurer and referred to the executive committee, which shall provide a place for them on the program.

Section 3. Order of Business

The following items of business shall be included on the agenda of each regular meeting. The specific order on the agenda will be determined by the President, Program Committee and Secretary.

1. Reading of the minutes of the preceding meeting.
2. Report of the Secretary-Treasurer.
3. Roll Call by states.
4. Announcements and appointments of committees.
5. President's address.
6. Special address.
7. Reports of investigators and special committees.
8. Report of the credentials committee.
9. Special topics for executive session.
10. Resolutions referring to feeding stuffs, mineral feeds, livestock remedies, pesticides, and fertilizers.
11. Report of the executive committee.
12. Report of the auditing committee.
13. Report of the resolutions committee.
14. Unfinished business and new business.
15. Report of the nominating committee and election of officers.

Section 4. New matter-tentative-official

A new definition or standard, or any change in a definition or standard, must be adopted at two (2) annual meetings of the Association before it can become official. A definition or standard becomes tentative when adopted and remains tentative until adopted as official or rejected.

Section 5. Procedures on new matter

New definitions, standards, and amendments of official definitions and standards must be referred to the executive committee for consideration and recommendation before being acted upon by the Association.

Section 6. Petitions

This Association may petition the Association of American Feed Control Officials, Inc., Association of American Pesticide Control Officials, and the Association of American Plant Food Control Officials by resolution or by committee or by usual form for consideration of changes in their continent policy and plan of the two Associations.

Section 7. Policy

It shall be the policy of this Association to work in cooperation and harmony with the Association of American Feed Control Officials, Inc., the Association of American Pesticide Control Officials, and the Association of American Plant Food Control Officials.

Section 8. Voting

Each State and the combined Federal Agencies shall be entitled to one vote on matters relating to the management of the Association. For those States having one or more agencies administering the feed, fertilizer and pesticide acts, a 1/3 vote shall be allotted to the agency to agencies on matters relating to general association business. On matters relating to the specific act, the agency having jurisdiction over the specific act or that portion of the specific act shall cast the State's one vote. The combined Federal agencies shall appoint one representative to cast the combined Federal agencies one vote.

Section 9. Election of officers

All officers shall be elected by ballot and shall hold office until the adjournment of the annual meeting next following their elections or until their successors are elected. In event of a vacancy occurring in any office, except that of president or vice-president in which event the executive committee may fill the vacancy until the next election, the president may fill the vacancy by appointment and shall continue until the close of the next regular meeting of the Association, at which meeting the unexpired term shall be filled by election in the usual way.

GUIDELINES FOR LIFE MEMBERSHIP

The Life Membership Committee recommends the following guidelines for awarding life membership to the Southern Feed, Fertilizer and Pesticide Control Officials.

To qualify for life membership in the Association of Southern Feed, Fertilizer, and Pesticide Control Officials, a candidate must have met the following criteria or have performed meritorious service to the Association or to have principals of regulatory control determined by the Executive Committee to be the equivalent of such criteria.

FIRST

- (1) The candidate shall be proposed by the member agency of which the candidate was employed during his to her tenure as feed, fertilizer, and or pesticide control officials.
- (2) The candidate may be proposed by standing committee or special committee appointed by the President to evaluate life membership candidates.
- (3) The Executive Committee may on its own motion nominate candidates for life membership.

SECOND

- (1) The candidate shall have completed a minimum of eight (8) years active committee, task force or officer service; or a minimum of fifteen (15) years tenure in a member agency with semi-active or indirect service to the Association.
- (2) The candidate shall have terminated his or her tenure as a control official and shall not have accepted a position in any control regulated business, trade or professional association servicing the feed, fertilizer or pesticide industries.

THIRD

- (1) The Executive Committee shall, when considering a candidate for life membership, evaluate the merits under which prior memberships were awarded; avoid awards which tend to disenfranchise the values of life membership; disregard personal friendships, personalities and social factors and protect the past, present and future honor of Life Membership.

FOURTH

- (1) The proponent of a candidate for life membership shall provide a resume outlining the candidate's term of employment, service to the Association,

contributions to regulatory programs, basis for leaving
and a current mailing address and telephone number.

PRESIDENTIAL ADDRESS

Tommy McDaniel

MS Dept. of Agriculture and Commerce
Bureau of Plant Industry
MS State, MS 39762

I would like to welcome you to the 61st Annual Meeting of the Association of Southern Feed, Fertilizer and Pesticide Control Officials. Thank you for being here. I want to thank the officials and staff members of the great state of Texas for planning and coordinating all the local arrangements. I also want to thank Mike Curry, our vice-president and chairman of the program committee, for his efforts in organizing the program for this years' meeting. I want to thank all the program chairpersons for their service to this organization. It is this dedication to the association that makes this meeting a success each year.

I also offer a special thank you to the program participants for sharing their time and knowledge with us. The association is grateful to industry representatives and federal officials for their participation and we look forward to their input. I would like to recognize our secretary-treasurer Argentina Vindiola, for her outstanding service. Serving on the executive committee as secretary-treasurer as well as taking on the local arrangements for this meeting is certainly a service that deserves recognition.

It has truly been a privilege and an honor to serve as your president this year. I have attended as many meetings of this association as time and travel budgets would allow for quiet a number of years. I contribute much of this to the support and importance the people from my organization always placed on this association. I would like to encourage each of you to do the same for your co-workers. My attendance of the association's annual meeting has allowed me to meet and work with many special people, that I would otherwise not have had the privilege of meeting. With today's difficult times, travel has been limited for many of us. This makes it more and more important to share with our co-workers the importance of this association and the tremendous benefits that can be gained through participation and attendance of this meeting.

The agricultural community has faced some tremendous challenges this past year. Budget cuts seem to be one of the most common phrases we hear today. We've seen a lot of downsizing in industry for a number of years, and it continued to accelerate in 2002. I'm sure everyone has a friend that has either lost their job, or had to make a move that they were not enthusiastic about making. State agencies and the universities in Mississippi and many other states in the association have seen budget reductions as high as 20% over the past three years; 2003 is no exception from that standpoint (it's sad when the bright spot on that picture is that we're taking smaller cuts proportionally than many of the other states agencies and universities in the nation). When someone retires or otherwise leaves your organization a tremendous gap in the program occurs. To add to that, sometimes we don't know when, or if, we'll be able to fill those positions.

While we seem to be getting smaller the needs in agriculture are rapidly changing and increasing, given the rapid changes in technology development. It is easy to see how farmers get confused about restrictions applied to the crop they grow today. An example is that the seed industry operates in a total new way, today. With inventions in plant technology comes a form of intellectual property protection. This new plant technology places an even increasing need for regulators, educators and this association. We have to stay informed and up-to-date to be able to provide our services. The choices of products that we regulate have never been greater and most new crops have value added characteristics. In my opinion, now is a time when our association can be a very valuable asset for all of us.

Having agricultural roots seems to breed eternal optimism. I'm optimistic about the future of agriculture. We've got some of the best folks in the world right here in our members, and industry representatives. We've all seen tough times before, so we know what they look like. But, we also know that adversity will either cause a person to fold, or become stronger.

Here's to strength in 2003!

ASFFPCO 2003 Agenda

June 22 – 25, 2003

*** HOSPITALITY SUITE ***

ROOM 1212
Operation Hours

Monday

8 a.m. – noon

1 p.m. – 5 p.m.

6:30 p.m.- 8 p.m. Pizza Party for children

Tuesday

7:30 a.m. – noon

Wednesday

7:30 a.m. – 11 a.m.

Sunday, June 22, 2003

1:00 – 5:00 Executive Board Meeting – Salon A

6:30 – 8:30 Reception - Sundancer

Monday, June 23, 2003

9:00 – 11:30 **Monday Morning, General Session- Salon C**

9:00 a.m. Meeting Open – **Mr. Tommy McDaniel**, President
Welcome to Fort Worth – **Mr. Ralph McCloud, Jr.**, Mayor Pro-Tem
Welcome to Texas – **Dr. James Supak**, Associate Director, Texas Agricultural
Experiment Station
Invocation – **Dr. Larry Whitlock**, Office of the Texas State Chemist
Announcements – **Mr. Roger Hoestenbach, Jr.**, Office of the Texas State Chemist
Roll Call – **Ms. Argentina G. Vindiola**, Secretary/ Treasurer ASFFPCO

9:45 a.m. ASFFPCO Presidential Address, **Mr. Tommy McDaniel**, President, Mississippi

10:00 a.m. Break

Please be in the Lobby by 1:30 PM

2:00 – 4:00 PM Cattle Raisers Museum

4:30 – 8:00 PM National Cow Girl Museum - Dinner

Wednesday June 25, 2003

8:30 a.m. **Wednesday Morning – Salon C**
Feed, Fertilizer and Pesticide Round Table
Mr. Ricky Schroeder, Moderator

An open discussion for regulatory, industry and commercial lab chemists, inspectors, supervisors to bring their analytical problems in feed, fertilizer and pesticide-related methodology for discussion and possible solutions. Attendees may be asked what analytes are, are not, and should be tested by both regulatory and industry. Analytical variance, sample prep difficulties and retesting are other potential discussion areas.

10:30 a.m. Break
11:00 a.m. General Business Session – Salon C

ASFFPCO FINANCIAL REPORT

June 2002 – June 2003

Savings Account

Beginning balance, June 2002	\$ 286.03
Interest	\$ 11.04
Deposit from checking	\$ 5,000.00
Seed Money to Texas	<\$2,500.00>
Ending Balance as of June 16, 2003	\$ 2,797.07
Certificate of Deposit #189573868	\$ 6,120.15
Total	\$ 8,917.22

Checking Account

Beginning balance June 2002	\$ 916.89
Disbursements	
#537 – Secretary-Treasurer Honorarium	<\$ 900.00>
#538 – Domain Bank-Name register website	<\$ 42.86>
Transfer to Savings	<\$ 5,000.00>
#539 – Office of the Texas State Chemist (CD mailers, envelopes and stamps last year)	<\$ 260.75>
#840 – BCS Trophies, President's Plaque	<\$ 55.00>
Total Disbursements	<\$ 6,258.61>

Deposits

Seed Money returned from NC	\$ 6,000.00
Membership Dues	\$ 350.00
[3 from 2002; 9 from 2003 (6 states have not paid)]	
Interest	\$ 16.07
From NC after ASFFPCO 2002	\$ 6,873.50
3 months interest on \$6,000 CD	\$ 19.45
Total Deposits	\$ 13,259.02
Ending Balance as of June 16, 2003	TOTAL \$ 7,917.30

TOTAL ASSETS **\$ 16,834.52**
